

## Kirkby Malzeard Primary School Analysis of Parent Questionnaires

September 2018

*At a joint meeting between governors of Kirkby Malzeard School and St Nicholas School, the effectiveness of current procedures around parent/guardian voice was discussed at length. It was decided that a new questionnaire should be designed that focused on current Ofsted guidelines and allowed both quantitative and qualitative feedback. It was also decided that to ensure the process was objective, valuable and transparent, the questionnaires should be handed over to the other school for analysis and results shared via the website. These findings are the result of that review. We hope you find them insightful.*

*Thank you to all who took the time to share their views on the questionnaire.*

*Further to this questionnaire, the staff and governors will discuss:*

- Provision of **new activities** in school
- Information of who the **governors** are and how to contact them
  - Familiarising parents/guardians with child's **next steps**
  - Challenge within **homework**
- Sharing of **collaborative work** between Kirkby Malzeard and St Nicholas Schools
- How the school can make parents/guardians aware of how to **support their child at home**

Your suggestions are valuable. If you have any ideas regarding how we can improve any of the issues raised above, please do share them with us. We will leave a suggestions box at the front and rear of school. All suggestions will be discussed with staff and governors.

**Some notable additional improvements / recommendations raised:**

***“Love the new website and the amount of current and updated information it contains. Also think that email communication about both internal and external school related information is a positive improvement on multiple copies of multiple letters!”***

***“I’d really like to see, if possible, a donations option on ParentPay whereby I can donate (extra) money to school/ friends in an ad hoc manner when paying online for school meals/ trips etc. Would be happy for this to be then used for anything to benefit the school.”***
