Times Table Rockstars/Numbots Day

on Tuesday 8th June 2021

Dear Parents/Carers,

As teachers we recognise how fundamental number facts and times table recall speed is for success in maths. As a Federation, we have bought Times Tables Rockstars and Numbots and will be holding a special day to relaunch the programs and raise the profile of both across the two schools.

On Tuesday 8th June 2021, we are celebrating Numbots and Times Tables Rockstars by inviting everyone to dress up as either a Rock Star or a Robot. We do not want you to go out and buy anything new – a cool item of clothing with some sunglasses or a robot made from an old cardboard box would work brilliantly.

Throughout the day, each class will compete in a federation battle where the children of St Nicholas CE will put their skills to the test against the children of Kirkby Malzeard CE. Children will also take part in some exciting maths challenges and outdoor maths throughout the day.

We look forward to seeing the children, and staff, dressed up for a fun filled day.

Kind regards

Mrs Griffiths
