A twilight training course to enhance the role of School Teachers and Teaching Assistants in supporting Autistic children and young people

## Autism Strategies Training

One of a range of twilight training courses, specifically focussing on supporting autistic children and young people.

The course may be booked as a traditional 90 minute twilight session, or incorporated at any time of the day. Awareness training (from any provider) must have taken place before booking this course.

**Time:** 3:30 pm – 5 pm (for twilights, other times by arrangement).

**Cost:** £350

This Course covers practical strategies including:

- Visual supports
- An introduction to Social Stories and Comic Strip Conversations
- Communication strategies
