Off-site Visits Consent

We have adopted the educational consent form drawn up by our colleagues at North Yorkshire County Council that covers normal, routine educational visits. A copy of this new form is attached for you to complete, sign and return.

I give permission for my child to travel in the car of a teacher, parent or other adult school helper, providing they are fastened into the seat with a seatbelt (with a booster seat where appropriate), and that the MOT and insurance details of the adult have been checked.

Photography / Video/Social Media consent

We have a duty to ensure the safeguarding of our children and to make sure that images / video are used appropriately. However, we also recognise that families and friends like to have pictures and video of their children taking part in school events/occasions. The following consent options help us to safeguard our children by taking appropriate measures to protect them, allowing photography and filming to take place with certain restrictions.

At any school event/occasion where family and friends may be taking photos or making videos, they will be reminded that the images must be for personal use only and not be reproduced, distributed electronically, or posted on any social media sites.

I give permission for my child to have his / her photo published in the school prospectus (children will not be named).
