### **Important information regarding severe allergies in school.**

Dear Parents and Carers,

We have children and adults in school with **severe diagnosed allergies** to the following food groups:

- All tree nuts
- Peanuts
- **Sesame Seeds this was not included in my first letter**
- All legumes (for example lentils, peas, green beans, chick peas, haricot, kidney beans, cannellini beans, red beans, butter beans, pinto beans)
- Pea protein/ Pea flour/fibre – contained in a wide variety of foods and other products.

Therefore, we cannot have these foods, or products containing these, in school. Please support us in keeping our children and staff safe by ensuring that these are not included in packed lunches or snacks in school.

Should you have any questions please send these via the admin email and we will respond accordingly.

Many thanks

Sarah Taylor

Head teacher
